

Internet Permission Sheet

updated 08/17/2006

Dear Contractors and Test Facilities:

Companies participating will want to know what welders are qualified and how to reach them, via a Contractor. Also they may want a Company to Qualify a Welder. If your Company is willing to provide contact information and agree to allow the information to be posted on the MANGO website, we will need your permission. Please provide the following on the attached form and sign & return to:

Attn: Chad Owens
City Utilities of Springfield
301 East Central
Springfield, MO 65801-0551
Fax: 417-831-8545

If you do not wish to have this information on the MANGO website at a later date or have revisions, you will need to inform MANGO in writing. Please send all correspondences to Chad Owens at the above address or if you have any questions call direct at 417-831-8993.
